

Operations Manager

Rangers Valley is one of the world's most respected premium beef producers. Supplying both Wagyu and Angus brands to discerning customers all over the world. Rangers Valley currently has a full-time position available for an Operations Manager based at Rangers Valley Feedlot.

This is a unique opportunity to be part of a premium beef business with a strong continuing growth strategy.

Reporting to the Manager - Feedlots and External Cattle Operations, this vital role for the organisation will support the managing feedlot activities and resources across multiple departments and ensure Quality Assurance, OH&S and company policies and plans are being met on a daily, weekly and annual basis.

This position will be an integral part within the Rangers Valley team and will have key responsibilities that include but not limited to;

- Provide leadership across managed departments ensuring a safe and productive work environment.
- Support the Feedlot Manager in on-site operational management
- Specifically, oversee the effective coordination of the Feeding, Milling, plant operators, yard maintenance, manure functions, cattle intake planning and reporting.
- Ensure that all regulatory and compliance requirements are met.
- Provide management with reports and information.

To be successful in this role you will ideally have the following skills and attributes;

- Ability to lead, manage, mentor and to take ownership.
- Show initiative and implement strategic and operational plans.
- Experience managing operations or a department in a feedlot environment or a high intensity primary production.
- An ability to effectively communicate and negotiate with a wide demographic of peers, direct reports and stakeholders.
- Highly developed problem solving and decision making skills.
- Knowledge and ability of animal husbandry techniques in a feedlot environment.
- Intermediate to advanced computer skills.
- Current drivers licence.

Desirable attributes for this position are;

- Understanding and experience in a vertically integrated beef supply chain from the feedlot side of a business.
- Management or supervisory experience in more than one operational department within a feedlot.
- Tertiary qualifications in agriculture or animal science.
- HR Licence

You will also bring a positive attitude with a willingness to integrate with, and add to, the current Rangers Valley business and culture.

An attractive remuneration package including onsite housing is available to the successful applicant.

For further confidential enquiries regarding the position responsibilities or skills required please contact Aaron Childs on 02 6734 4000 or email childs@rangersvalley.com.au.

To apply please forward applications including cover letter highlighting your experience in line with the required skills as well as your resume to childs@rangersvalley.com.au or phone 02 6734 4000 for any other enquiries.

Applications close Friday 27th September 2021.
